**Ref To: Ward, Name**

I would advise that Council, at its December Monthly Meeting, agreed that individual political parties would respond to the above Review with their respective views on the boundary issue and that the naming of the ward entitled "Braid" would be further considered by Members at the January Monthly Meeting.

Following cross-party discussion at the January, 2007 Monthly Meeting, it was agreed that Council would recommend that the ward be renamed "Ballykeel".

I have been instructed to inform you that this agreement was reached by a majority vote with the three nationalist Members of Council voting in opposition to the proposal.

M. Watterson  
Acting Town Clerk and Chief Executive.
