Dear Sir,

How can you ignore the wishes of the majority of the people in the Dennyway village area who have community & family ties with Lisburn and wish that they go into West Belfast.

Our natural line of communication is with Lisburn and South Belfast along the Lisburn Road where there is a regular Bus and Train Service. There is no natural link with Twinbrook & Dairy Farm & Suffolk.

I would respectfully ask you to reconsider your decision

and at least leave the Dunmurry
Village Area including The Green,
Sunnymede, Sunnyhill & Areena, in
the Lisburn Area where they belong
and feel safe.

Yours sincerely,

Bill Harkness
