

To whom it may concern,

Why are Stewartstown Avenue, Stewartstown Park and Stewartstown Road in the Shaws Road ward?

They should be in the Stewartstown ward, as these streets have no natural affiliation with the area in the Shaws Road ward.

These streets are part of the Stewartstown area and should be recognized as such.

All wards should also be written at all times in both Irish and English. This is a constituency with a very Irish and Gaelic culture, and government should respect this.
