Ref to: Ward, Boundary

I object to the fact that my address, firmly in the town of Donaghadee, has been included in the Ward of Millisle. This area of the town, the Killaughey Road, is about 2.5 miles from Millisle, has no connection with that village and is not even on a direct road to it. I am very much part of Donaghadee my native town. I do not wish to be included in any other area.
