Dear Madam

**Local Government Boundaries Commissioner: Provisional Recommendations Report**

I would like to express my concern at the proposed Boundaries Proposals. I object to the Seven Super Councils as I find it difficult to believe that anyone who understands 'Local Government' could suggest that some living in Magherafelt would have any sense of Community with those living in Magilligan, Eglinton or Newbuildings.

I also object to the Boundaries Proposals for the present Council Area in which I reside. Although I accept the fact that it makes good sense to where possible to have the number of Electors the same in each ward I feel that there should be Urban Wards and the remainder should be divided into Rural Wards.

I appreciate that there are large areas which are sparsely populated but I feel that this would be preferable and would be much better for Local representation in future and Community representation.

Yours sincerely
