

LGD: North West
Submitted by: Damien McMahon
Organisation: Derry City Council
Ref to: District, Boundary

Derry City Council has no objection to the boundary of the proposed new Council to incorporate, essentially, the boundaries of the existing derry City, Limavady Borough, Magherafelt and Strabane District Councils.

The City Council agrees that the whole of Magilligan (or Benone)Strand should be included within the new boundary for the reasons stated in the Provisional Recommendations.

I must emphasise that this representation must be regarded as a provisional representation until approved, if that be the case, by a resolution of the City Council.
